CHAPTER

20th Annual

**Oregon Chapter of the American College of Cardiology
Education Foundation**

Oregon Cardiovascular Symposium

LIVE & VIRTUAL

**APRIL 14-15, 2023 | HYATT REGENCY,
OREGON CONVENTION CENTER**

Virtual sessions available April 21, 2023 until April 21, 2024

***Special Symposium Pricing – Register for the
2023 Live or Virtual Symposium and get the
2022 Virtual Symposium at a Special Discounted Price***

The Symposium is Approved for 16.5 Credits of AMA PRA Category 1 Credit. Nursing Education Contact Hours, ACPE for PharmDs, AAPA Category 1 CMEs for PAs, or AANP for NPs. (See inside for precise accreditation details and hours.)

Oregon Cardiovascular Symposium Program

*20th Annual Oregon Cardiovascular Symposium
Friday, April 14, 2023*

7:00 - 8:00 am	Registration and Exhibits Open — Continental Breakfast
7:45 - 8:00 am	Welcome and Introductory Remarks
8:00 - 8:50 am	Session #1 — Role of CAC in the Prevention of ASCVD <i>Michael Shapiro, DO, FACC, Wake Forest University School of Medicine</i>
8:50 - 9:40 am	Session #2 — Top Ten Takeaways from Updated 2022 HF Guidelines <i>Jane Wilcox, MD, MSc, Northwestern Medicine</i>
9:40 - 10:10 am	Exhibit Break
10:10 - 11:00 am	Session #3 — Genetics of Aortopathies <i>Dianna Milewicz, MD, Ph.D., University of Texas</i>
11:00 - 11:50 am	Session #4 — Management of Aortic Root and Valve Disease in the Young <i>Maral Ouzounian, MD, Ph.D., Peter Munk Cardiac Centre</i>
11:50 am - 1:00 pm	Industry-Supported Lunch Session — Hosted by TBD <i>Presenter and Practice</i>
1:00 - 1:50 pm	Session #5 — ECG Roundtable: Focus on PVCs <i>Babak Nazer, MD, University of Washington</i>
1:50 - 2:40 pm	Session #6 — Development to Deployment of Cardiovascular AI <i>David Ouyang, MD, FACC, FASE, Cedars-Sinai Medical Center</i>
2:40 - 3:10 pm	Exhibit Break
3:10 - 4:00 pm	Session #7 — Myocardial Recovery in HFREF <i>Jane Wilcox, MD, MSc, Northwestern Medicine</i>
4:00 - 4:50 pm	Session #8 — The Role of Non-Statins Therapies in the Management of Dyslipidemia and ASCVD Risk <i>Michael Shapiro, DO, FACC, Wake Forest University School of Medicine</i>
4:50 - 5:30 pm	Hosted Reception in the Exhibit Area

In Cooperation with

20th Annual Oregon Cardiovascular Symposium
Saturday, April 15, 2023

7:00 - 8:00 am	Registration and Exhibits Open — Continental Breakfast
8:00 - 8:50 am	Session #9 — Diagnosis and Management Group 1 and Group 2 Pulmonary Hypertension — What Cardiologists Need to Know <i>Valerie McLaughlin, MD, FACC, University of Michigan</i>
8:50 - 9:40 am	Session #10 — Racial Disparities and CV Mortality <i>Kim Williams, Sr., MD, MACC, FAHA, MASNC, FESC, University of Louisville School of Medicine</i>
9:40 -10:10 am	Exhibit Break
10:10 - 11:00 am	Session #11 — Treatment of Ischemic Cardiomyopathy: Making Sense of REVIVED and STITCH Trials <i>Eric Velazquez, MD, FACC, Yale School of Medicine</i>
11:00 - 11:50 am	Session #12 — The Role for Coronary Revascularization Across the Spectrum of Stable Ischemic Heart Disease: A Clinical Perspective <i>Ajay J. Kirtane, MD, SM, Columbia University Irving Medical Center</i>
11:50 am - 1:10 pm	Session #13 — Cardiology Fellows Case Presentations — Lunch <i>Fellows from OHSU and Samaritan — TBD</i>
1:10 - 2:00 pm	Session #14 — Heart Failure with Preserved Ejection Fraction and Atrial Mechanics — Simplifying a Complex Topic <i>Akhil Narang, MD, FACC, Northwestern University</i>
2:00 - 2:10 pm	Break
2:10 - 3:00 pm	Session #15 — Cardio-Oncology: A New Clinical Frontier <i>Javid Moslehi, MD, UCSF School of Medicine</i>
3:00 - 3:50 pm	Session #16 — Dueling the Dual Pandemic: Nutrition, COVID-19 and CV Mortality <i>Kim Williams, Sr., MD, MACC, FAHA, MASNC, FESC, University of Louisville School of Medicine</i>
3:50 - 4:20 pm	Wrap-up Discussion and Close

*Sessions Available for Online Viewing
and CME-earning from April 21, 2023 – April 21, 2024*

Register Online

for the

**20th Annual
Oregon Cardiovascular Symposium**

www.cardiologyinoregon.org

Scope of Practice

Cardiovascular disease remains a leading cause of death and morbidity in the United States, despite substantial gains in diagnostics, prevention and treatment. The 20th Annual Oregon Cardiovascular Symposium will provide a thorough review of the literature and update participants on current evidence-based practice for cardiovascular care including, coronary artery disease, heart failure and arrhythmias as well as how comorbidities affect the patients. It will provide balanced expert opinion and recommendations of key advances and state of the art cardiovascular care that clinicians and patients expect. There is a persistent gap between the practice of cardiology and guideline-recommended evaluation and therapy.

The 20th Annual Oregon Cardiovascular Symposium addresses this gap by providing an extensive expert review of clinical cardiology through didactic lectures, panel discussions, and case presentations which will emphasize newer concepts of diagnosis, decision making, community support, pharmacology and interventional therapy in areas of ischemic and valvular heart disease, cardiac arrhythmias, heart failure and other clinically pertinent topics.

Learning Objectives

Upon completion of this program, attendees should be able to:

1. Identify how to review data on the utility of Coronary Artery Calcium (CAC) for risk assessment.
2. Identify the role and implementation strategies for quad therapy (including SGLT2) for Heart Failure (HF).
3. Recognize how social determinants of health affect HF care.
4. Describe the benefits of aortic valve repair and identify those who may be eligible.
5. Identify the indications for medical management and/or catheter ablation of premature ventricular complexes (PVCs).
6. Recognize avenues of implementation of Artificial Intelligence (AI) in cardiology.
7. Discuss management, including testing and medication adherence for Heart Failure with Improved Ejection Fraction (HFimpEF).
8. Recognize the rationale for the need for non-statin therapies.
9. Discuss the relationship between ethnic disparities in mortality in the dual pandemic.
10. Identify the role of the sympathetic nervous system in the pathogenesis of hypertension.
11. Recognize the importance of the left atrium in Heart Failure with Preserved Ejection Fraction (HFpEF).
12. Identify the cardiovascular toxicities associated with traditional and novel cancer therapies.
13. Discuss the use of lifestyle to lower risk in at-risk patients to lower health care costs and reduce disparities.

This is a partial list of Learning Objectives. The complete list of learning objectives can be found at www.cardiologyinoregon.org

Target Audience

This activity is designed for an audience of Physicians, Nurses, Nurse Practitioners, Physician Assistants, and Pharmacists.

Grant Acknowledgment

At the time of printing, a complete listing of industry sponsors was not available. Appropriate acknowledgment will be made upon confirmation of support and at the time of the program.

Disclosure and COI Policy Statement

Detailed faculty disclosures will be made available to participants prior to this activity. The planning committee members have disclosed that they have no financial relationships with commercial interests which produce, market, re-sell, or distribute health care goods or services consumed or used by their patients.

Accommodations — Hyatt Regency, Oregon Convention Center

A special block of rooms has been reserved for Symposium attendees at the **Hyatt Regency, Oregon Convention Center, Portland, Oregon** (375 NE Holladay St, Portland, OR 97232.) The Hyatt Regency has parking available for our Symposium attendees, and the cost is being covered by the Oregon ACC. To reserve your room, please use this special online link <https://www.hyatt.com/en-US/group-booking/PDXRP/G-OCSY> to obtain our special lodging rates of \$199 per night (single or double).

Committee Members

Scott Chadderdon, MD, OHSU and Michael Layoun, MD, FACC Providence
Program Co-Directors, ACC Oregon Chapter

Jayne Mitchell, ANP, OHSU
Nurse Planner, ACC Oregon Chapter

Alan Morasch, CAE, Oregon Chapter of the ACC – Chapter Key Contact

Tamara Atkinson, MD, FACC
Portland VA Medical Center

Jason Bensch, MD, FACC
Providence Heart Institute

Casti Bhamidipati, DO, PhD, MSc, FACS
OHSU

Crispin Davies, MD, FACC
Providence Heart Institute

Tyler Gluckman, MD, FACC
Providence Heart Institute

Saurabh Gupta, MD, FACC
St. Charles Hospital

Fran Munkenbeck, MD, FACC
Retired

Keval Patel, MD, FACC
Southern Oregon Cardiology

Aly Rahimtoola, MD, FACC
Providence Heart Institute

Matthew Slater, MD, FACC
Heart and Lung Center

Attendee Comments from 2022...

The Oregon ACC committee's ability to always top the previous year's content is unbelievable. I'll be back in 2023!

One of my favorite meetings of the year. I ALWAYS learn something new for my practice!

The flexibility of watching the lectures in a different order and stopping and pausing for something I may have missed is an invaluable bonus.

In the last few years, I've done the Symposium Live and Virtually. Extremely well-planned CV Education either way one attends!

Accreditation

Credit provided by AKH Inc., Advancing Knowledge in Healthcare

In support of improving patient care, this activity has been planned and implemented by AKH Inc., Advancing Knowledge in Healthcare and Oregon Chapter of the American College of Cardiology Education Foundation AKH Inc., Advancing Knowledge in Healthcare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 16.5 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physicians

AKH Inc., Advancing Knowledge in Healthcare designates this live activity for a maximum of 16.5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists

AKH Inc., Advancing Knowledge in Healthcare designates this continuing education activity for 16.5 contact hours.

Nurses Credit

16.5 ANCC contact hours

Physician Assistants

AKH Inc., Advancing Knowledge in Healthcare has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 16.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Nurse Practitioners

This activity has been planned and implemented in accordance with the Accreditation Standards of the American Association of Nurse Practitioners (AANP) through the joint providership of AKH Inc., Advancing Knowledge in Healthcare and Oregon Chapter of the American College of Cardiology Education Foundation AKH Inc., Advancing Knowledge in Healthcare is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 030803. This activity is approved for 16.5 contact hour(s) (which includes TBD hour(s) of pharmacology).

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Commercial Support

Appropriate acknowledgment will be made upon confirmation of support and at the time of the program.

Maintenance of Certification (MOC) Credits

Successful completion of all CME activities enables the participant to earn up to 16.5 MOC Points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC Points equivalent to the amount of CME credits claimed for each activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC Points. Participant's personal information will be shared with the ACCME and the ABIM.

Review Maintenance of Certification criteria: www.abim.org/moc/
